PREFACE

The 2008 High School Football Schedule Book is compiled and published by the Texas High School Coaches Association for use by the press and coaches. It is our hope that sports writers and coaches will find this book beneficial to your needs. Accuracy is not guaranteed because of schedule changes and some schools did not respond to our request for their schedules. The contents of this booklet have been gathered from different sources. Thanks to Granger Huntress for assisting with the 6-Man schedules.

Check the THSCA website at www.thsca.com for scores and stats in Pressbox. Coaches are urged to record their results and stats as these will be tabulated and appear in Texas Coach magazine periodically. If your schedule is incorrect, please contact our office at 512-392-3741 so we can correct it in Pressbox.
